

WE DID IT!

Tulip Radio moved from New Road to The Crescent with a few helpers on hand to keep us going. Boys from the Probation Service worked hard one Sunday to help complete the front of the

building. Luke from Sign Design got our new sign done. Callum and Anthony kept the paint brushing going. Natalie and Nick cleaned up & perked us up in the evening.

South Holland Food Festival

South Holland's first Food Festival proved to be a hugely successful event. We were proud to be part of the first fringe event at Frankie & Benny's, going live with Barry James' 60s Show (see page 3) and to promote all the other events that took place throughout the community.

John Baker's Wedding

John Baker and blushing bride Emma tied the knot in a lovely ceremony, and everyone at Tulip Radio offers their congratulations and best wishes to the happy couple.

John Baker presents his show each Friday night 8pm—10pm. John also provides local news updates for daytime shows every Tuesday and Thursday.

Steam enthusiasts flocked to Weston Steam & Country Fayre. With steam engines, vintage cars and tractors on display, this was a great day out for all the family.

Fulney Field Skate Park

It was great to be at the launch of Fulney Field Skate Park. Youngsters came from all over the country and everyone gave such great performances!

George Farmer Oscar Night

Jamie Archer came to the Oscar Night at George Farmer Technology College. He wowed the girls in the audience with 5 songs from his X Factor appearances.

Jan grabbed her opportunity to interview Jamie & ask him about the X Factor & his time with Simon Cowell & the judges. Jamie said Simon was a great guy. He told us Simon had tried to get him to have his hair cut, but he declined.

Barry James live from

Frankie & Benny's

Revellers enjoying the evening of fun and entertainment.

Tulip Radio joined forces with the renowned Frankie & Benny's at Springfields to host live broadcasts from the restaurant. Members of the community joined DJ Barry James at 2 exciting events to enjoy his 60s & 70s Show. Barry had longed to do a live performance of his ever-popular Monday night show. So Tulip Radio felt to celebrate South Holland's first ever Food Festival this would be an ideal opportunity to bring the audience to him, live in Spalding. After that success, Barry hosted a second live show celebrating the Pumpkin Festival.

Staff at Frankie & Benny's relaxing at last!
