School's Sound

Tulip Radio has teamed up with Lincolnshire Education Business Partnership and Mediabox to provide training to young people in the community. The School's Sound project included a day at Lincolnshire Road Safety Partnership's road safety centre in North Kyme.

Our thanks to Robin Mardon and the staff at the road safety centre for putting on a great day for the students.

Pinchbeck Carnival

Tulip celebrated its birthday on 12 July at Pinchbeck Carnival. The crowd was great, the weather was fine, and the entertainment was first class.

This year's theme was 'A Celebration of Nations'. A schools gymnastics display and Act II and samurai performances took place in the arena.

Displays in the marquee included face painting and a ukulele, and there was a flypast of the Battle of Britain Memorial Flight.

The parade was lead by Carnival Queen Faith Howard, Carnival Princesses Laura Walcott & Abigail Slade & Carnival Prince Alex Gordon, in a car kindly driven by James Rylatt of Rylatt Ford.

Award-winning presenters

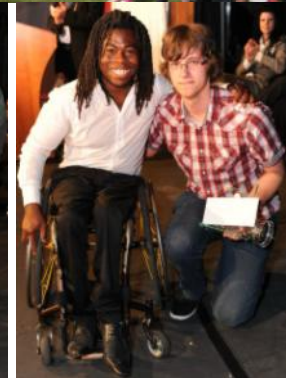

Two Tulip Radio presenters received awards at Peterborough Regional College's Excellence in Skills Awards Ceremony.

Christopher Smith was awarded the Most Creative Student Award. During his time on the BTEC National Diploma in Print/Publishing, Christopher has developed into a

confident and knowledgeable web designer.

Oliver Needham was awarded the Class Representative Award. Oliver has tirelessly represented his tutor group as a class rep. Oliver was also the Student Union Centre Officer for the Media & Journalism Centre.

The evening's awards were presented by TV presenter and member of the Great Britain team that won the bronze medal at the 2004 Summer Paralympics, Ade Adepitan.

Ade gave an inspirational speech where he talked of his struggle growing up when diagnosed with polio aged three and realising his dreams of playing wheelchair basketball for the Britain team.

Monkhouse Summer Fair a success

There was a variety of stalls and games at Monkhouse's Summer Fair, including Hook a Duck, Tombola, Penalty Shoot-Out, and Father's Day gifts. Refreshments included a BBQ and a licensed bar. The highlight of the day was a display by the Prison Officers Dogs Display Team.

Children showed their skills at maypole dancing, drumming and gymnastics and we were joined by members of the Spalding VW Car Club, displaying their vehicles. It was good to see the PCSOs joining in the fun!

Tulip Radio compared the whole day.

Holbeach Vintage Rally

This year's show took place on the weekend of 19—20 June. Tulip Radio joined the rally on Sunday and brought the sunshine.

The theme was Iron Wheels and Tracks which with some artistic licence incorporated modern rubber-tracked tractors alongside a wide variety of older agricultural and horticultural equipment.

Tulip Radio was pleased to be part of this very successful event as it further establishes itself in its fourth year.

Hills Furnishings opening day

Recently the historic façade of Hills Furniture Store in Bridge Street, Spalding, was the subject of a major refurbishment partly funded by a grant from English Heritage. Tulip Radio went along to the grand reopening.

Ryan's flying high

Tulip Radio met with Thomas England and organised trips for young people to ride in his plane.

I quickly realised that flying in Thomas's plane was very different to your bog-standard Ryanair flight! It was louder, colder and slightly smellier too! Thomas quickly cut to the

chase and showed me the exciting aspects of flying – performing plenty of banks and rolls. He manoeuvred the plane with ease and I ended up experiencing the same G-forces that astronauts feel in space!

We flew all over Spalding and from a thousand feet up I could appreciate how green this area really is. We flew towards the

Wash, but by now I was beginning to feel a tad sick and went very quiet! Thomas was still friendly and helpful, even handing me the controls, which aren't as sensitive as you'd imagine. Overall it was a fantastic experience and it enabled me to appreciate what the early days of aviation must have been like. I'd thoroughly

recommend anyone looking for a hobby this summer to pop along to the Air Cadets.

Ryan Gilmartin shares Tulip's Saturday afternoon show from 5pm—8pm with Callum Pepper and Adam Mustoe.

Ryan hosts his own show every Thursday evening from 9pm to midnight.

Barry James has over 40 years presenting experience including stints on Radio Caroline at sea.

Tulip Radio joined forces with the renowned Frankie & Benny's Restaurant at Springfields to host a live broadcast from the restaurant. Members of the community joined DJ Barry James at this exciting event to enjoy his 60s & 70s show.

Barry had longed to do a live performance of his ever-popular Monday night show. So Tulip Radio felt to celebrate South Holland's first ever Food Festival this would be an ideal opportunity to bring the audience to him, live in Spalding.

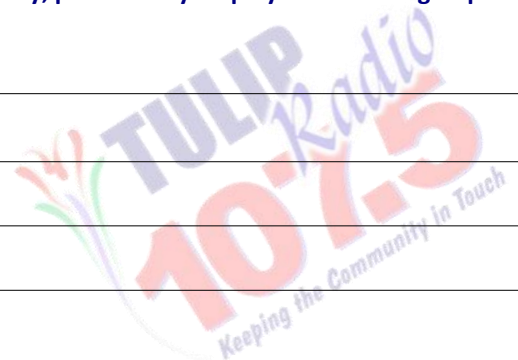

Barry hosts his 60s and 70s show every Monday night from 6pm till 9pm. He is always ready to welcome your requests and dedications.
